— FOR —

THE RAILWAY TRADE

Safety First in Riveting

Is possible with the **BOYER
HAMMER** when fitted with **M.
S. Tool Holder** or **Piston Retain-
ing Wall**.

Piston and Rivet Set can't fly out.
With the **SAFETY** you get the

**POWER
SPEED
DURABILITY**

That have characterized the **BOYER
HAMMER** since it first proved that
pneumatic riveting was a success.

\$100 in gold free

I want to become acquainted with the longest continued wearers of my Carhartt's.

I want to show my appreciation of their good will and remember them for their loyalty to these Carhartt's.

To each of the ten longest, continued wearers of Carhartt's I want to present ten dollars in gold as a memento—

For them it is a token of appreciation of their loyalty and their standing by me through thick and thin.

For me to know them is all the reward that I desire for a quarter century of square dealing, battling for organized labor and sanitary manufacturing.

Many have worn my Carhartt's as long as I have made them—and that is a quarter of a century.

Send me your name and address.

Help me find these men.

Tell me how long you have been a continued wearer of Carhartt's.

Mail me your Carhartt experiences today as a favor to me.

Send a ticket from one of my overalls and I will mail you a beautiful souvenir and time book free.
