

THE FRISCO-MAN

KODAK

You need no previous experience, no technical knowledge. Let us demonstrate to you how easy Kodaks are to operate, how light and compact, and how altogether desirable.

We have them at prices from \$1.00 to \$60.00, and will be glad to show you our stock and present or send you a complete Kodak catalogue.

No obligation on your part, but if you like pictures, you will be interested in learning how easily you can make them yourself—our knowledge of photography is always at your service.

The best of cameras and films and general supplies for our customers, the promptest quality service in developing and printing—this is the idea behind our entire photographic department.—Mail Orders given prompt attention.
